*Use this worksheet to choose a worthwhile event to foreshadow.*

Summarize your story within three sentences.

What are the major events in your story?

Which of these events will you foreshadow in your story?

When in your story will you foreshadow these events?

How will you foreshadow these events in your current events? What hints or elements will you use? (i.e. the setting, an object, etc.)

Do you have a plan for every hint that you include in your story? (Remember Chekhov's Gun)
